Dear Alumni & Friends,

Join us on an adventure in Norway and Finland, a mythical region known for its spectacular scenery, friendly residents, charming ports and rare wildlife.

Our trip begins in Norway's lovely capital, Oslo. From here we will journey by train to the scenic port of Flam, and then travel by boat along the Sognefjord, Norway's longest and deepest fjord, to the historic city of Bergen, with its charming timbered houses and bustling fish and flower market.

Here we will board an expedition ship for an incredible voyage through the Norwegian fjords. Named "the world's most beautiful voyage" by Lonely Planet, our route will take us along the Hjeltefjors, the same one that the ancient Vikings once traveled. Along the way, we will experience Norway's stunning coastline, take once-in-a-lifetime excursions and savour 'Norway's Coastal Kitchen' prepared from fresh local produce.

Crossing the Polar Circle, we will visit Tromso and Kirkenes, where we will likely see the colorful Northern Lights. In Northern Finland's Lapland region, we will learn about the indigenous Sami people and visit a reindeer farm. Then it's on to our final destination, Helsinki.

This is sure to be an unforgettable voyage, filled with spectacular nature and experiences, so reserve your space soon to avoid disappointment.

Sincerely,

*Gabrielle Korn
