*Dear Canadian University Alumni and Friends,*

*They say that if you want to know what our kids will be playing or watching five years from now, you should look at Japan and Korea today. I would like to invite you on a tour of two countries that have an outsized influence on our everyday lives – what we watch, what we drive, even what we carry in our pockets. These two nations seamlessly blend the futuristic edge of modern technology with living traditions thousands of years old.*

*Our tour starts in Seoul, South Korea's bustling capital. From the 14th-century Gyeongbokgung Palace to the fashionable shops and skyscrapers of the Gangnam district, Seoul can show you the whole range of Asian history. Four hundred kilometres to the south, is the country's second-largest city, Busan, known for its beaches, mountains and temples.*

*From South Korea, travel by air to Japan. In the ancient capital of Kyoto, explore the Kinkakuji Temple (aka the Golden Pavilion), then travel by bullet train to Hiroshima, and finish your journey in Tokyo, one of the world's great modern metropolises.*

*Start packing your bags for the trip of a lifetime! For more information or to make a reservation, please contact GLP Worldwide at 1-866-760-1987 or [alumni@glpworldwide.com](mailto:alumni@glpworldwide.com)*

*Sincerely,*
